Hello Friends!

During these past few months, Cinderella Pet Rescue has continued to work diligently to help all the fur babies that count on us. Due to the Corona Virus, we have had to limit the exposure to keep staff, volunteers, pets and grounds safe. We are very thankful for all of the support in the past. Now, more than ever, we need your assistance to help ensure our programs remain stable and funded throughout this period of economic uncertainty.

Everyone at Cinderella Pet Rescue thanks you for all of your support and thanks you in advance. Please continue to donate, consider volunteering or fostering, adopt, and refer us for adoptions! What's New

FUR GET ME NOT Virtual Adoption Program!

It happens all the time. You see a four legged friend, your heart skips a beat, " I wish I could take them all home," but your heart breaks because you remember reasons why you can't adopt:

- I wish I had room
- I would if I had a fenced yard
- I have a dog(s) already
- My cat doesn't like dogs or my dog doesn't like cats
- My residence has a pet limit

We hear it all the time - reasons why people don't adopt. Well, we have an answer....How about virtual adoptions?

Our Fur Get Me Not Virtual Adoption Program gives our fur babies the second chance they deserve. It is a great way to become part of their all-important journey, even if they can't be part of your loving home. You might really want to give one, or more, of our beloved Cinderella dogs or cats a home. Now, with a Virtual Adoption, you can be on your way to change a fur baby's life.

Your virtual adoption will be contributing to food, shelter, rehabilitation, medical care, and general supplies our fur babies need. All virtual adoption donations, just as any other donation, go directly to the care of all the fur babies cared for at Cinderella.

Most of our four legged friend stories are similar. Most of our rescues come to us abused, neglected, or homeless. For these reasons, some are less likely to be adopted into a forever home due to ongoing health issues, age, or some form of trauma. Or, they are a fairly new rescue that will take an extended period of time in recovery before they would be considered for adoption. With your help, they can all continue to enjoy a carefree life in a warm, safe, loving environment.

This is also a perfect gift for a grandchild, a friend, a son or daughter, or simply for you and your spouse. It will fill your heart.

If you are interested in our Fur Get Me Not Virtual Adoption Program, please contact us for more information. We will be happy to discuss the program and assist you in choosing your next Virtually Adopted Pet! You can call us at (956)391-4399.
